# Japan seeks to thwart proposal

ISLAMABAD: In an unprecedented move, the Japanese embassy in Islamabad has come forward to block the government's proposal regarding commercial import of used cars and a two-year increase in the age limit of imported cars under personal baggage, transfer of residence and gift schemes.

Japanese Ambassador Chihiro Atsumi on Wednesday called on Federal Minister for Industries and Production Hazar Khan Bijarani in his office and urged for a review of the government's proposal.

Unconfirmed reports suggest that the Japanese Ambassador
